After nearly 10 years, St Georges Finance has now joined forces with Newable to become **Newable Commercial Finance.**

We aim to give our clients the same personal service. Only better. Helping more clients in more ways by providing clients with a complete brokerage service.

By working with over 40 specialist lenders, we can access up to £20m in funding lines. So you get the finance you need to thrive and grow.

Now we can also provide access to wider business support services provided by Newable.

So if you've got ambitious plans for your business, then we can help you make them happen.

**Newable has been working with businesses at the heart of the UK economy for over 35 years. Supporting people as they start, scale and internationalise their companies.**

**We provide lending, investment, workspace and expert advice.**

**We are the UK's leading provider of Responsible Finance loans between £26,000 - £150,000.**

**Newable Private Investing (formerly London Business Angels) closed 35 deals in 2017 that delivered £35m of funding into knowledge-intensive businesses.**

**Working on behalf of the Department for International Trade, we support smaller businesses in London and the South East. Last year we supported more than 9,400 firms generating £2bn in export sales.**

**We develop neglected brownfield sites into economically productive land. We have 11 sites in our portfolio.**
