You run your business. We run your office.

No one started a business to manage an office (Well apart from us, over 25 years ago.)

You've got better things to do – securing that all-important deal, building relationships with your clients, and inventing the next big idea.

Let us do all the boring bits for you, so you can create the brilliant business you dreamed of.

Services to meet your business needs.

Fully configured and customised workspaces.

- Superfast broadband – that's a given.
- Meeting space – as and when required.
- Virtual offices.
- For as long as you want.

All for a single monthly payment.

Business people. People business.

We understand that a business is only as good as its people.

That's why we aim to recruit the very best centre team who share our values and are on hand to support your business when you need them.

We pride ourselves on being great people to do business with.

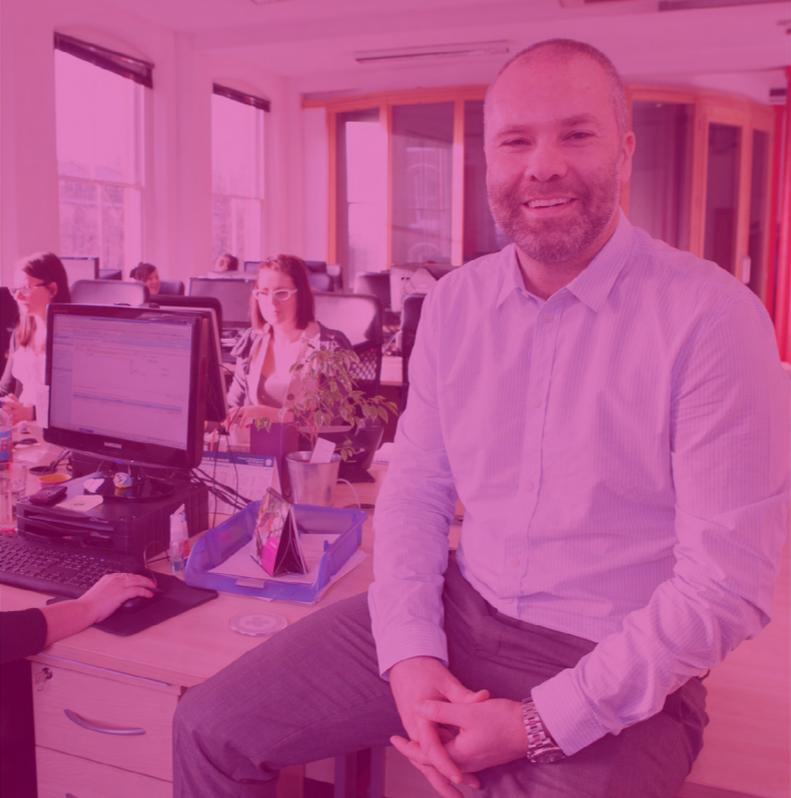

We go above and beyond.

Citibase is part of the Newable family. Newable is one of the UK's foremost champions of businesses working at the heart of the economy.

Newable could support your business with lending, asset finance, and investment, professional business support like exporting or setting up your business in the United States.

There's more about Newable at www.newable.co.uk

Don't just take our word.

“

The whole team at the centre couldn't have been more helpful in making our move a hassle-free experience.”

“

After meeting the team at the centre, I felt confident they could give me the support I need to expand my business.”

“

Professional, friendly, responsive. They even helped me find local suppliers and services.”

And there's plenty more endorsements on our website.

Nothing to stop you

It's time to unleash the potential
of your business.
